DATA SHEET

UNIQUE CHARACTERISTICS

ATP Synergic Tube

Hybrid steel and engineered technical polymers tube with excellent rigidity, unsurpassed corrosion resistance and total protection against electric shocks.

Immune to Corrosion

Built with raw materials that are not susceptible to corrosion.

100% Recyclable

Built with 100% recyclable and cost effective reusable materials; reducing waste to 0%.

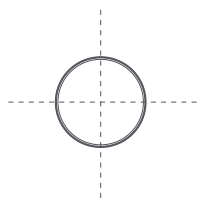

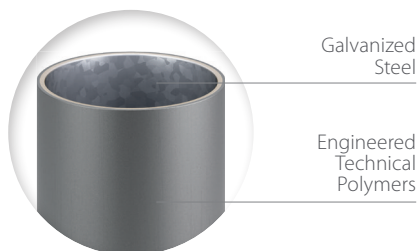

10 year warranty

The highest warranty in the field.

TECHNICAL CHARACTERISTICS

INSULATION LEVEL	CLASS II (UNE EN 60598)
AENOR CERTIFICATE	Nº 019/000131
CE	0099/CDP/A55/A0099

Sinergy Tube Ø120

Interior
Tube Ø114,3x4
Galvanized Steel

Exterior
Tube Ø120x2,5
